## ABOUT HQ

HQ is a drop-in center for youth ages 14 to 24 who are experiencing housing crisis— staying in a shelter, a car, a tent, with friends or in a home environment that no longer feels safe. For each of these youth, access to resources, safety, and support from caring adults is no longer a given. This is where HQ comes in.

HQ exists to help young people find a place to rest, build connections, and receive support through professional skill building. We are a transformative space where everyone is welcome and diversity is celebrated. Youth are the experts of their own lives, and are encouraged and supported, with no strings attached, as they realize and achieve their dreams.
